

Commander of Nazi Camp Given Life

By FRANK CREPEAU
Associated Press Writer
DUESSELDORF, Germany (AP) — Franz Stangl, the SS commander of Hitler's Treblinka death camp in Poland, was convicted today of the murder of hundreds of thousands of Jews and sentenced to life imprisonment.

Stangl, now 62, who ran Treblinka in 1942-3, was arrested in Brazil in 1967. Simon Wiesenthal, director of the Vienna Jewish Documentation Center and the man who tracked down Adolf Eichmann, had placed Stangl third on the list of wanted Nazi war criminals after Eichmann's execution in Israel. The first two, Hitler's deputy Martin Bormann and Gestapo chief Heinrich Mueller, still have not been accounted for.

Treblinka, about 60 miles northeast of Warsaw, ranked just behind Auschwitz in the chain of extermination camps the Nazis set up in Poland. Polish authorities say 781,000 persons died in Treblinka between July 1942 and October 1943.

Stangl also commanded the Sobibor camp in Poland, but his

activities there were not considered in the trial. He was accused of ordering the deaths of 400,000 Jews and other persons shipped to Treblinka from Poland, the Soviet Union, France, Belgium, Greece, Bulgaria, Yugoslavia, Austria and Germany. He was captured after World War II but escaped and made his way through Italy and Syria to South America. When arrested he was employed at the Volkswagen factory in Sao Paulo and was living there under his own name.

The Brazilians agreed to extradite him only on condition that if a life sentence resulted at the trial, it would be commuted to a lesser sentence so he could also be tried in his native Austria.

court refused to lower the voting age to 18 in state and local elections.

"This will be administratively difficult and will result in considerable cost to the taxpayers," said Oregon Atty. Gen. Lee Johnson who had argued before the court against lowering the voting age.

Shortly after the court's 5 to 4 decision on federal elections was announced, Sen. Edward M. Kennedy, a potential Democratic presidential candidate in 1972, said he will move quickly for Senate approval of a constitutional amendment applying it to state and local elections.

to deal properly with this defection."

Adm. C.R. Bender, the Coast Guard commandant, issued findings based on the report that called for court-martialing both men on charges of dereliction.

But Bender said he would drop the charges if the pair retired immediately.

Volpe noted the officers submitted retirement requests, told Bender not to press charges and agreed with Bender they should receive punitive letters of reprimand.

Brown and Ellis now "appreciate fully their serious error of judgment, ... have been subjected to extreme castigation from many quarters in this nation," and, with their families, have suffered, Volpe said.

Volpe said he regretted "very deeply that a young man had to lose his chance for freedom in order to bring to light deficiencies in government procedures for welcoming victims of oppression to American soil."

He added that new procedures should prevent the incident of Nov. 23 from happening again.

A spokesman for the Transportation Department, which runs the Coast Guard, said the careers of Ellis and Brown will end by Jan. 31, but could not say immediately what their pensions will be.

Volpe kept with Bender's finding that Cmdr. Ralph W. Eustis, the commander of the Vigilant, should get an administrative letter of reprimand and be reassigned.

Calendar of Events

Saturday, December 26

There will be a class reunion of the 1960 graduates of Hope High School at the Hope Country Club, Saturday, December 26, at 8 p.m. All graduates, friends, and teachers are invited.

There will be a re-union of all of the former students of Gurnsey High School, December 26, at 7:00 p.m. in the Guernsey Gym. All students, husbands or wives of students, and former teachers or their husband or wife are urged to attend.

Anniversary

Mr. and Mrs. L. A. Boyce of Route 1 will celebrate their 60th wedding anniversary Sunday, December 27. Their children will honor them at their home with open house from 2 to 5 p.m. No cards will be sent. All friends and relatives are invited.

Morning Coffee For Miss Watson

On December 16 Mrs. Ray Lawrence honored Miss Debbie Watson, who became the bride of Bob Bledsoe three days later, with a morning coffee at the Lawrence home.

The honoree wore a plaid and off-white ensemble and pinned red camellias at her shoulder. Similar flowers were also presented to her mother, Mrs. Bill Watson.

Holly and appropriate decorations for the season were seen at vantage points. In the dining room the table had a floor-length white satin cloth overlaid with red net and caught at the corners with white wedding bells. The centerpiece was formed with holly, red grapes and white love birds.

Red and white sandwiches and sweet rolls were served with coffee to the guests by Mrs. Mack McLarty, Mrs. Terrell Martin, Mrs. Bill Freeman, and Mrs. Jon Leim.

A gift of china was presented to the guest of honor by the hostess.

BAKER CLUB MEETS

The Baker Extension Homemakers Club had a family potluck dinner on December 15 at the Douglas Building. C.G. Tittle asked the blessing before a delicious meal was served to 30. They included one out-of-town guest, Burton Taylor of Perris, Calif.

The program chairmen were

Mrs. Ardell Clark and Mrs. C.R. Middlebrooks. They presented recitations, readings and poems with a Christmas theme. Then the group enjoyed singing, accompanied at the piano by Mara Middlebrooks.

Gifts were exchanged and Secret Pals were revealed. The next meeting will be in January with Mrs. C.G. Tittle.

DAFFODIL CLUB MEETS

The pretty home of Mrs. Mack McLarty was the setting for the Daffodil Garden Club Christmas luncheon on Thursday, December 17 with Mrs. John Graves as co-hostess.

After Mrs. Jon Leim had asked the blessing, 16 members of the club were served a tempting repast ranging from Rock Cornish hens to ice cream balls in green coconut.

Coming, Going

Mr. and Mrs. F. B. Ward and family, Natchitoches, La., spent the weekend with Mrs. Guy Card, and they had an early Christmas celebration.

Sydney McMath, Boston, Mass., has arrived for Christmas with his parents, Mr. and Mrs. Syd McMath.

Mr. and Mrs. Gus Hickerson went to Paris, Tex., over the weekend to see Mr. and Mrs. Richard Roberts and family. They enjoyed a Christmas party in honor of Mr. Roberts given Saturday night by the Farmers and Ranchers Livestock Commission Company of Paris.

Mr. and Mrs. Rick Stone, Iowa City, Iowa, are visiting here with Mr. and Mrs. Homer Stone.

Mr. and Mrs. Crit Stuart have as their guests Mr. and Mrs. J. E. Davis and daughter of Columbus, Ga., and Mr. and Mrs. J. W. Davis of Oakdale, La.

Mr. and Mrs. V. K. Davis and family, Baytown, Tex., will arrive this week to spend Christmas with Mr. and Mrs. W. A. Williams. Mrs. Williams and the Davises will leave Saturday to meet the Neil Rogers family in Aspen, Colo., for a week's skiing.

Dr. and Mrs. Jimmy Branch and family, Chicago, are here for the holidays with Dr. and Mrs. J. W. Branch and Mr. and Mrs. Charles Cox.

Mr. and Mrs. Ronald Laster and two daughters, El Dorado, are visiting Mr. and Mrs. Wesley Branstine.

Mrs. Clinton Jones left Dallas Sunday to fly to Bangkok, Thailand to spend the Christmas Holidays with her husband, Col. Clinton Jones, who is stationed at Korat Thailand. Mrs. Jones and their son, David, are living at Fort Benning Ga. while Col. Jones is away.

Wedding Vows Are Repeated

MRS. RONALD J. INGRAM

The candle-lit sanctuary of the Garrett Memorial Baptist Church was the setting Saturday evening, December 19, for the wedding of Miss Toni Freda Leverett and Ronald Jimmy Ingram. The Rev. Clyde Johnson performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Lloyd Leverett and the bridegroom is the son of Mr. and Mrs. J.B. Ingram, all of Hope.

Mrs. Wade Warren, organist, presented a program of nuptial music accompanying the soloist, Miss Gayle Williams of Hope. She sang, "Whither Thou Goest," and as the couple knelt she sang, "The Lord's Prayer." Before the ceremony, the candles were lighted by Miss Amelia Leverett, cousin of the bride.

Guests were seated by Buddy Ingram, brother of the groom, Dennis Ramsey, and Larry May. Pews for the families were marked with pink satin bows.

Marriage vows were exchanged beneath an altar of southern smilax and burning pink tapers with a seven branched candelabra on either side. Floor baskets of pink gladioli completed the setting.

The bride, given in marriage by her father, wore a full length crepe and lace formal gown featuring a Victorian neckline, empire waistline and bell sleeves. The A-lines of the gown's skirt were emphasized by a lace-bordered brush train. A crown of pearls held her shoulder-touching illusion veil. Her only jewelry was a diamond drop, a gift from the groom. The

bride carried a colonial bouquet of feathered carnations centered with a white orchid.

Miss Nancy Ann Leverett, sister of the bride, was her maid of honor. Her full-length dress of red velvet, empire fashioned, was accented by long white lace sleeves and lace yoke. In her hair she wore a matching veil attached to a red velvet ring.

Attired in identical fashion was the bridesmaid, Miss Robyn Formby of Little Rock. Both attendants carried a nosegay of white carnations with red velvet streamers. Candle lighter, Amelia Leverett, wore pink velvet fashioned similar to the bride's attendants.

J.B. Ingram served his son as best man. Groomsman was Tommy Still.

For her daughter's wedding, Mrs. Leverett wore a yellow silk elaskene ensemble with bone accessories. She pinned a corsage of green cymbidium at her shoulder.

The bridegroom's mother, Mrs. Ingram, chose a pink knit A-line dress with matching accessories. She pinned a corsage of white cymbidium at her shoulder.

After the ceremony a reception was held in the Heritage House. Mrs. Floyd Leverett, aunt of the bride, greeted the guest and introduced them to the wedding couple, their parents and attendants. Mrs. Jimmy Latimer, aunt of the bride, invited the guest into the dining room.

The dining table was centered with pink carnations and pom poms. The tiered wedding cake was topped with wedding bells

and was served with red punch.

Miss Jan Latimer, cousin of the bride, presided at the brides book. Those serving the guests and dispensing hospitality were Miss Martha Gillon, Tahlequah, Oklahoma, Mrs. Joe Gillon, Charleston, South Carolina, Miss Debbie Foster, Texarkana, Texas, Miss Margie Royston, Miss Peggy Franks, Mrs. Doyott Collins, Mrs. Bill Johnson, and Miss Cecilia Delaney, all of Hope.

Rice bags were distributed by Gary and Ken Johnson, sons of Mrs. and Mrs. Wayne Johnson.

For the wedding trip the bride chose pink wool suit and wore her wedding orchid.

Mr. and Mrs. Ingram will be at home in Texarkana where the groom is with the coaching staff at Liberty-Eylau. Mrs. Ingram will be employed at Wadley Hospital.

REHEARSAL DINNER

On Friday, December 18, Mr. and Mrs. J.B. Ingram entertained with a rehearsal dinner at Perry's Restaurant for the Leverett-Ingram wedding party and immediate families.

For the dinner the bride-elect, Miss Toni Leverett, wore plaid culottes with matching vest. The wedding colors, red and pink were used to decorate the dining area. Covers were laid for twenty.

Miss Leverett and her fiancé, Ronnie Ingram, chose that time to present gifts to their wedding attendants.

What the ad didn't say was that living expenses weren't included in the scholarship.

Mathanyane and Mosele, both 21 then, arrived in Honolulu 12,500 miles from home, and soon learned the bad news.

They lived with host families for a while. Then, Mathanyane took a part-time job and moved into the YMCA near the University of Hawaii. Mosele moved in with a university family.

Several groups collected money for the foreign students. But this year, when the initial publicity subsided, financial problems loomed.

LSU Getting Along Without Pistol Pete

By TED MEIER
Associated Press Sports Writer

So who needs Pistol Pete? For the first time in four seasons Pistol Pete Maravich is not a member of the Louisiana State college basketball team. The No. 1 collegiate scorer in each of his three varsity years at LSU now is a professional with the Atlanta Hawks in the NBA.

But, strange to relate, the Bayou tigers from Baton Rouge have won four straight and are unbeaten going into their first round game against DePaul in the All-College holiday tournament at Oklahoma City Saturday.

Led by Nelson Isley, the only senior on the team, LSU routed Georgia 97-76 Monday night at home for their latest success.

Isley, 6-foot-3, scored 26 points. Billy Newton and Al Sanders chipped in with 20 and 19, respectively.

Louisville snapped the six-game winning streak of eighth-ranked Kansas in decisive fashion, 87-75. Playing at home the once-beaten Cardinals were led by Henry Bacon's 22 points and at one time were ahead by 26 points.

Alabama, the team which marred Louisville's record, was crushed 122-75 by sixth-ranked Southern California at Los Angeles.

St. Bonaventure and Purdue were the only other teams in the Associated Press Top Twenty to see action. Both won. The Bonnies, No. 15, routed Illinois Wesleyan 92-57 for their sixth in a row. Purdue, No. 16, walloped Tulane 94-73.

A layup by Jerry Brucks with five seconds left gave Wyoming

a 72-71 victory over California in the first round of the Michigan Invitational at Ann Arbor. Michigan routed Harvard 100-73 and will play Wyoming in the final tonight.

John Mengelt scored 32 points for Auburn, but Houston pulled out a 79-76 victory over the Tigers on the hot hand of Sonny Willis in the last 13 minutes. Willis came off the bench and scored 13 of Houston's final 27 points.

Rice humbled Yale 91-71, Memphis State defeated Princeton 86-77, Stanford turned back Temple 73-64 and Washington tripped Kansas State 64-51.

In other intersectional games, Florida overcame Northwestern 88-73, Iowa took Hardin Simmons 90-77, Wichita State conquered Colorado 79-69, Xavier of Ohio defeated Los Angeles Loyola 96-84 and Vernon Murphy threw in 39 points to pace Arkansas over Missouri-St. Louis 91-84.

Bob Hayes Is NFL Player of the Week

By MIKE RATHER

Associated Press Sports Writer
NEW YORK (AP) — Bob Hayes, who caught four touchdown passes in Dallas' title-clinching victory over Houston, was named Offensive Player of the Week in the National Football League by The Associated Press today.

Hayes has that, considerable pride in his latest achievement, the plaudits of Coach Tom Landry—and an unsigned contract.

Hayes, an obviously disgruntled player this season while refusing to sign his 1970 contract under terms offered by the Cowboys, was the prime mover for Dallas Sunday as he grabbed six passes for 187 yards in a 52-10 victory over the Oilers.

Hayes caught a pair of 38-

Hogs' Bumpas Joins Blue, Gray Practice

MONTGOMERY, Ala. (AP)

— This afternoon's practice session should see one—possibly two—new faces on the practice fields as the north and south teams prepare for the 33rd playing of the Blue-Gray football classic Monday night.

One of the new faces will be Arkansas tackle Dick Bumpas, an Associated Press first string all-America pick. He is replacing another AP all-America first team man, Rock Perdoni of Georgia Tech.

Perdoni suffered a rib separation during Tech's 17-9 victory over Texas Tech in the Sun Bowl Saturday.

The other new face which may appear at this afternoon's Gray practice session belongs to Bill Peterson. Peterson, an assistant coach, recently was named head coach and athletic director at Rice. He told Blue-Gray officials he plans to be on hand beginning today.

yarders, a 15-yarder and a 59-yarder from quarterback Craig Morton as the Cowboys grabbed the Eastern Division title in the National Conference and a home playoff berth in the NFC semifinals against Detroit.

It was the fifth consecutive victory in a late bid for the title by the Cowboys, and Landry singled Hayes out for special attention.

"He's been outstanding the past 3-4-5 weeks," said Landry. "He's very important to us."

Hayes and Morton, who also connected with rookie Reggie Rucker for a touchdown pass while completing 13 of 17 passes for 349 yards, have been two of the keys to a resurgent Cowboy team that five weeks ago seemed out of contention—and listless—with a 5-4 record.

But it's a different team now that the Lions will face Saturday.

STAN PARRIS

ARKADELPHIA, Ark. — Defensive safety Stan Parris of Henderson State College has been named to the 1970 NAIA All-America Football Team. Parris, an all-conference selection for four years, was chosen as a defensive halfback on the second team.

An outstanding prep school athlete at Hope High School, Parris was named "Most Valuable Player" his senior year. He served as captain of his high school team in 1966 and repeated the honor at Henderson in 1970.

During his career at Henderson, Parris grabbed 31 enemy aerials, only five short of the NAIA record. He led the Reddies in interceptions all four years.

Parris was chosen for the AIC Team of the '60s, an all-decade squad selected last summer in Dave Campbell's Arkansas Football magazine. Parris was the only member of the team who had a year of eligibility remaining.

Alcindor, Bucks Crush Los Angeles

By BOB GREENE

Associated Press Sports Writer
MILWAUKEE (AP) — Wilt Chamberlain gave Lew Alcindor three feet, and the Milwaukee Bucks center took advantage of it for 37 points Monday night.

"In the last game, Wilt would move back off of me," Alcindor said after the Bucks crushed Chamberlain and the Los Angeles Lakers 113-88 in a nationally-televised National Basketball Association game. It was Monday's only NBA contest.

"Then, when I made my move, he would time his leap perfectly and block my shot," Lew said. "This time, I turned around to face him and made him play defense more honestly."

The former UCLA three-time All-American outplayed the veteran Chamberlain in every aspect of the game except assists. Chamberlain finished with 25 points and had 14 rebounds to Alcindor's 16. The Milwaukee sophomore also blocked four shots while Chamberlain knocked down two would-be Milwaukee baskets.

While Alcindor was winning his battle with Chamberlain, two other superstars were playing head-to-head, and again Milwaukee came out on top.

Oscar Robertson tallied 19 points, matching his season average, while holding the Lakers' Jerry West to a similar amount. West was averaging 28.2 points a game going into the contest.

Oscar—the "Big O"—really sparked defensively, time and again stealing the ball and blocking shots. He intimidated West so much that the Los Angeles guard missed six layups.

It was the only regular-season NBA game scheduled for TV on a Monday night. ABC, which aired the contest, plans on televising NBA games on Monday night next year following the football season.

In the NBA, Monday night, Indiana trampled Pittsburgh 144-115 and the Floridians trounced Kentucky 125-119.

Murphy Hot in Porker Victory

FAYETTEVILLE, Ark. (AP)

— Vernon Murphy scored 39 points to lead Arkansas to a 91-84 intersectional basketball victory over the University of Missouri at St. Louis here Monday night.

Murphy, a 6-6 junior from Texarkana, Tex., scored 27 of his points in the second half.

Arkansas trailed 54-41 at halftime behind the hot outside shooting of guards Sheddric Bell and Mark Bernsen. Bell finished the night with 29 points, while Bernsen had 25 points.

The Arkansas comeback was keyed by the Razorbacks' rebounding led by 6-5 guard John Searles. Searles had 17 rebounds while Murphy had 11.

Donnie Watts added 23 points for Arkansas while Searles scored 14. The Razorbacks are now 3-6 for the year and the Rivermen 4-9.

College Grid Games Draw 29.4 Million

NEW YORK (AP) — Over 29 million persons watched collegiate football games during the 1970 season according to figures released Monday by the National Collegiate Sports Services.

The exact figure was 29,465,604, an increase of 1,839,44 over the 1969 figure. The boost was 6.6 per cent.

Ohio State, headed for a Jan. 1 Rose Bowl date with Stanford, led the attendance breakdown with a five-game home average of 86,490, up 255 from their previous high. The Buckeyes' figure was second only to the all-time record average of 93,894 established by Michigan in 1949.

A record 14 teams averaged more than 60,000 fans per game at home with five Big Ten teams showing up among the top 10.

Michigan, No. 2 with a 79,361 average, took single game attendance honors with 103,580 fans at the Michigan State game Oct. 17. That was just eight short of the largest single game crowd ever that turned out for the Michigan-Ohio State game last year.

Kentucky Drops, UCLA Still First

By THE ASSOCIATED PRESS

That Old Kentucky Home Sweet Home turned sour over the weekend and cost the Kentucky Wildcats a drop of four places in this week's Associated Press college basketball poll.

While UCLA and South Carolina held onto the top two spots, Kentucky's 89-83 loss to Purdue in the finals of their own invitation tournament knocked the Wildcats from third to seventh place.

That enabled Marquette, Jacksonville and Penn., each 5-0, to move up one position apiece to third, fourth and fifth, respectively. Southern California climbed from eighth to sixth by winning the Sun Bowl Tournament.

The rest of the Top Ten consisted of, Kansas, Drake and Western Kentucky.

UCLA, 4-0 after an idle week, received 26 of the 30 first-place votes cast by sports writers and broadcasters across the country. South Carolina, 5-0, was first on one ballot, Marquette on two and Jacksonville on one. In points, UCLA led South Carolina 579-498.

The Second Ten was made up of Indiana, Tennessee, Villanova, Notre Dame, St. Bonaventure, Purdue, a tie between Oregon and North Carolina for 17th, followed by St. John's N.Y. and New Mexico State.

Purdue and St. John's replaced Utah State and Florida State in the Top Twenty.

The Top Twenty, with first place votes in parentheses and total points on a 20-18-16-14-12-10-9 etc. basis:

1. UCLA (26)	579
2. South Carolina (1)	498
3. Marquette (2)	452
4. Jacksonville (1)	396
5. Penn	268
6. So. Calif.	255
7. Kentucky	247
8. Kansas	229
9. Drake	220
10. Western Kentucky	185

Pacers, Miami Victorious in Doubleheader

INDIANAPOLIS (AP) — The Indiana Pacers outshot Pittsburgh for a 144-115 victory and the Miami Floridians whipped the Kentucky Colonels 125-119 in an American Basketball Association double-header here Monday night.

The games were the only ABA contests scheduled.

Pittsburgh tried more but Indiana tried harder in field goal attempts. The Pacers early and substantial lead may have contributed to relaxed and accurate shooting.

Pittsburgh hit only 43 of 116 attempts from the floor for a .371 percentage. The Pacers hit 57 of 105 for .542.

Indiana opened up a lead of as much as 19 points in the first quarter, stuck to leads in the teens in the second period, upped the advantage to 29 points at one time in the third and posted 33-point leads three times in the fourth.

Bob Netolicky of Indiana led the scoring with 36 points, followed by Mel Daniels with 22 and five other Pacers in double figures. Dave Lattin led the visitors with 24.

In the first game, Floridian newcomer Ira Harge grabbed 14 rebounds and scored 28 points to star in his first Miami outing.

Lamonica and Griese on 40 Man AFC Squad

NEW YORK (AP) — Quarterbacks Bob Griese of the Miami Dolphins and Daryle Lamonica of the Oakland Raiders were named today to the 40-man squad that will represent the American Football Conference in the first AFC-NFC Pro Bowl Game in Los Angeles, Jan. 24.

The Kansas City Chiefs, last year's Super Bowl champions who have been eliminated from contention this season, dominated the balloting with 10 players named. The Raiders, who edged the Chiefs for the Western Division title, had seven players selected.

The Chiefs' selected include seven players who saw all-star action last year—linebackers Bobby Bell and Willie Lanier, defensive tackle Buck Buchanan, cornerback Jim Marsalis, guard Ed Budde, tackle Jim Tyrer and placekicker Jan Stenerud.

Joining their teammates on the squad were defensive tackle Jerry Mays, safety Johnny Robinson and punter Jerrel Wilson.

The Raiders on the team are Lamonica, running back Hewitt Dixon, receiver Warren Wells, tight end Ray Chester, tackle Harry Schuh, center Jim Otto and cornerback Willie Brown.

Chester was one of only two rookies to make the squad. The other was Lemar Parrish, Cincinnati's cornerback-kick return specialist.

Among the others picked were two of the AFC's major statistical leaders—Buffalo receiver Marlin Briscoe and Floyd Little of Denver, the rushing champion.

Every team placed at least one man on the squad, although under the rules of selection each club did not have to be represented. Baltimore, Cleveland and Miami have three players each on the squad, Cincinnati, Denver, Houston, New York, Pittsburgh and San Diego two each, and Boston and Buffalo one each.

The team was selected by vote of the 13 AFC head coaches, who could not submit a ballot for any member of their own team. The squad has 20 offensive players, 17 defensive players, a punter, a placekicker and a return specialist.

Ellis Thinks Ali Will Beat Frazier

LOUISVILLE, Ky. (AP) — Jimmy Ellis, former world heavyweight boxing champion, predicts that Muhammad Ali will defeat Joe Frazier in their title fight next February.

Ellis also accused the boxing world Monday of giving him "the run-around" after his loss to Frazier and said he could defeat Muhammad Ali, who won the heavyweight crown known as Cassius Clay.

"I fought him (Clay) twice as an amateur," Ellis said. "He beat me the first time but the second time I had no trouble and I won."

Ellis said fighters seemed to be avoiding him, particularly Floyd Patterson and George Foreman.

"I could go around whipping club fighters and they'd say, 'Why shouldn't he whip them?' I have to meet somebody that really means something but that's the kind that wants no part of me."

On rumors that both Frazier and Ali will retire after their upcoming fight, Ellis said, "I don't want that. I'm a man."

"I wouldn't want to go through another elimination and win the title if I didn't get to fight Clay and get another chance at Frazier. Having the title without beating them would be empty."

NHL Eastern Race Is Two Way Affair

NEW YORK (AP) — The race at the top of the National Hockey League's East Division has turned into a two-way struggle between the Boston Bruins and New York Rangers and the success of those two teams has come in opposite ways.

The Bruins, who lead the Rangers by two points, have poured 147 goals in just 32 games and are almost halfway to their record total of 303 established last year.

Boston has the top four scorers in the league including the leader, Phil Esposito, who is zooming at a pace of two points per game. Esposito has 64 points, 30 of them on goals. Six of the top 10 scorers are Bruins.

The Rangers, on the other hand, have done it with defense. Their two goalies, Ed Giacomin and Gilles Villemure, have combined for six shutouts and their 1.93 goals against average is the best in the league.

New York has only one scorer in the league's leading scorers.

Jean Ratelle, whose 35 points have him in a tie for seventh place with John Bucyk of Boston.

Barney Has Great Day for Detroit

By LARRY PALADINO

Associated Press Sports Writer

DETROIT (AP)—It's a good thing Lem Barney is an easy going guy, otherwise there would be a few armchair quarterbacks around town with split heads.

Barney, fourth-year cornerback for the Detroit Lions, says he is continually confronted in local bars and restaurants by persons strongly critical of his ability.

"Some players would go over to them and probably knock them on the head," he grinned. "But being of good nature, I take it."

The detractors should be silenced by now, especially after Barney's performance Sunday against the Green Bay Packers. He returned five punts, a kickoff, and interception a total of 223 yards—63 yards less than the combined total offense for the two teams—as the Lions moved into the National Football Conference playoffs with a 20-0 victory.

For his outstanding performance he was named Defensive Player of the Week in the National Football League by the Associated Press.

With Detroit ahead only 3-0, Barney returned the second half opening kickoff 74 yards to set up a Lions field goal. Early in the fourth quarter he returned a punt 65 yards to set up a touchdown pass, then about a minute later he intercepted a pass and sprinted cross-field for a 49-yard touchdown run.

The graduate of Jackson State College in Mississippi, who was Detroit's No. 2 draft choice in 1967, has played in the Pro Bowl game each of his

three seasons. "I don't really think I've played any differently this year than before," Barney explained. "I've had a couple bad games. But people have a right to criticize all they want. I'm a pretty easy going guy and it doesn't bother me as much as it would some others."

Alcindor Is Leader in Scoring

NEW YORK (AP) — While teammate Lew Alcindor continues to pace the National Basketball Association's scoring race, Oscar Robertson of the Milwaukee Bucks has moved ahead of Seattle's Dick Snyder for the lead in free throw percentage.

Robertson made 17 of 19 last week and has an .870 percentage for the season to Snyder's .856. The Big O led the NBA in free throw percentage in 1963-4 and again in 1967-8.

Meanwhile, Alcindor poured in 40 points against Boston last Friday night and boosted his scoring average to 32.3 points a game, followed by Boston's John Havlicek at 29.5. Alcindor's average does not include Monday night's game against Los Angeles.

Johnny Green of Cincinnati continues to lead in field goal percentage at .507, trailed by Alcindor at .508. Wilt Chamberlain of Los Angeles leads in rebounds with a 20-per-game average while Jerry West of the Lakers is tops in assists with 10 per game.

Can't Cancel Boxing License, Says Smith

AUSTIN, Tex. (AP) — Gov. Preston Smith says he has his "personal feelings" in the granting of a boxing license to Muhammad Ali but that he is powerless to cancel it.

Smith replied Monday to a letter from B. B. Hester, commander of the Texas Department of the American Legion. Hester asked Smith last week to do all he could to prevent Ali from fighting in Texas.

Smith said Ali, formerly known as Cassius Clay, was denied a boxing license for a year under a law similar to a New York law that Ali successfully attacked in court.

The New York decision gave "no other choice under the law" to Tommy Smith, state commissioner of Labor Statistics, but to issue the license.

The license would permit Ali and heavyweight champion Joe Frazier to fight in Houston's Astrodome. No fight has been set. Hester complained that Ali had refused to fight for his country but was willing to fight for money. This insulted 1.3 million Texas veterans, he said.

Rice Owls in Victory Over Yale Cagers

By THE ASSOCIATED PRESS

The Rice Owls found the key to Yale's defense for a 91-71 victory and Arkansas outscored Missouri St. Louis 91-81 in the only Southwest Conference basketball action Monday night.

Rice, now 3-2 for the season, edged to a 40-36 halftime lead but finally put the game away with a 51-point second half while Yale got only 37. Ted Melady led the owls with 23 points and Mike McLaren had the same total for Yale.

Vernon Murphy, a junior from Texarkana, Tex., plunked in 39 points to lead the Razorbacks to their third victory of the season.

Arkansas trailed 51-41 at the half, but came out firing in the second period. The rally was keyed by the rebounding of 6-foot-5 guard John Searles with 17 rebounds. In addition to his scoring antics, Murphy added 11 rebounds.

Arkansas now is 3-6 for the year.

Colorado is at Texas Tech in the only game scheduled tonight.

Mismanagement Charged Denied by Railway

PHILADELPHIA (AP) — David S. Bevan, former finance chairman of the Penn Central Transportation Co. denies House Banking Committee charges he mismanaged a \$21 million investment for the railroad in a charter flight service.

"As far as I am concerned, these statements are untrue and unfounded," Bevan said in a statement Monday.

He referred to a report made public Sunday by the Banking Committee chairman, Rep. Wright Patman, D-Tex.

The report said Bevan may have continued to put Penn Central money in Executive Jet Aviation, Inc., because of the possibility of public revelation of certain personal activities that might have been extremely embarrassing to Bevan.

The report quoted J. W. Ricciardi of Miami as saying he had the job of seeing to it company executives were supplied with female companionship when they wanted it.

Bevan's statement said: "The allegations and conclusions reached in the report as to why we continued to advance funds to EJA are false."

"All advances were made purely from a business standpoint and seemed justified at the time."

First Survivor of Rabies in History

LIMA, Ohio (AP) — Three doctors say a 6-year-old Willshire, Ohio, boy is the first person in medical history to survive rabies.

The doctors announced at a news conference at St. Rita's Hospital Monday that Matthew Winkler, bitten Oct. 10 by a rabid bat at his home, was recovering from the disease which has been regarded as 100 per cent fatal.

Dr. C. J. Spechschulte, attending pediatrician, said the boy developed symptoms of rabies even though vaccine had been administered.

Treatment was begun four days after the bite and the boy was given the Pasteur duck embryo vaccine, which is the standard treatment.

However, Matthew developed rabies symptoms. He became lethargic, was partly paralyzed in his left arm and had trouble speaking. He was hospitalized Nov. 3.

On Dec. 1, the boy began to improve after intensive care that included oxygen, medication to combat convulsions and constant heart monitoring.

He is still weak, doctors report, and has difficulty with his speech, but is fully conscious. He is expected to remain at the hospital for another month for further medication and to receive speech and physical therapy.

The U.S. Public Health Service says it plans to conduct additional studies in the case.

HOUSTON (AP) — Rice University, which hasn't had a winning football team since 1963, has hired Florida State University Coach Bill Peterson as both head coach and athletic director.

Milwaukee Folks Pay Most Taxes

By JOHN LENGEL

Associated Press Writer
WASHINGTON (AP) — Come tax time in the nation's 25 largest cities, the Milwaukee wage earner writes the biggest check for state and local tax bills.

And, according to a fresh study on the subject, the differences in the tax bills in these cities is not gradual. They're sharp, extreme.

For instance, a taxpayer in Milwaukee with a wife who stays home, two children, an income of \$10,000 and a fairly new house costing around \$25,000, has to find \$1,586 for his nonfederal tax bills.

In Houston, Tex., the same man need only come up with \$400, that is, 4 per cent of the total income compared with a rate of 15.9 per cent in this city in Milwaukee.

Sharp differences are also evident in property tax schedules. The average is \$2.37 per \$100 in market value in the 25 cities. The top is \$4.33 in Boston, the lowest \$1.07 in New Orleans.

In only six of the 25 cities is there no income tax: Dallas, Houston, San Antonio, Tex., Memphis, Seattle and Jacksonville, Fla.

In 15 cities, there are both local and state sales taxes. Combined rates of 6 per cent are in effect in New York, Philadelphia, New Orleans, Denver and Pittsburgh.

The comparative study by the District of Columbia government determined the average bill for such things as income, property, sales taxes was 8.8 per cent at \$10,000.

In nine cities the tax burden was progressive: The more money made, the more money paid. There is an income tax obligation in these cities.

The tax bill is regressive—higher incomes bear a lesser percentage burden—in nine cities, principally because there is usually no income tax and comparatively high sales and use taxes. Two cents tax on a food dollar hurts the poor more than the rich.

Several factors influence tax burdens.

What the city's businessmen pay affects the personal tax bill. State-collected oil taxes, the study says, largely account for the low personal levies in New Orleans and the three Texas cities.

Residents in one city will demand more in community services than citizens in another. More service costs more money.

Pope Recovers From the Flu

VATICAN CITY (AP) — Pope Paul VI, showing no sign of last week's influenza attack, has urged Christmas season prayers for world peace.

Speaking from his window Sunday to 4,000 Romans and tourists in St. Peter's Square, the 73-year-old pontiff referred to "costly and formidable armaments" and the "easy recourse to oppression and violence."

He left the window with a ringing "Merry Christmas! A Merry Christmas to all."

If Bones Are Porous, Don't be Too Alarmed

By LAWRENCE E. LAMB, M.D.

Dear Dr. Lamb—Recently my condition was diagnosed as osteoporosis. I suppose osteo means old bones but what is "porosis?" I'm 54, weight 105, height five feet one. Can you comment on this sort of "bone trouble?" When one doesn't know, one can work up fears. Knowledge helps to abate fears and believe me, I'm "fearful."

Dear Reader—Literally the term means porous bones—bones with pores or holes. This happens when there is actual loss of bone structure.

Don't be too frightened. It is not a nice disease but you are not unique in having this problem. One out of four white females have osteoporosis before age 60. Men usually do not have the disease before age 70 and it is usually not as severe in men as in women. Negroes are less likely to have osteoporosis and it is very rare in Negro males.

The process is gradual. Individuals with more bone to start with show evidence of the disease later in life, if at all. Hence, men with a larger skeleton have the disease later than women.

Physical activity is important to prevent osteoporosis. A vigorous, active life builds a strong bone structure.

As bone structure is lost, each vertebra decreases in size, the upper spine curves forward, causing the person to be "hunchbacked" and lose height. Some vertebrae may collapse entirely. The changes in the spine, including sudden collapse of a vertebra, often occur without causing pain. Only about a third of the patients with this problem seek medical help.

The loss of bone structure throughout the body causes

all the bones to be more brittle or easily broken. So you should take extra care to prevent falls.

The real cause of osteoporosis is not known. It is not simply a loss of sex hormones, although this may be a contributing factor. Inadequate intake of calcium is part of the picture. The disease is five times more common in people with low calcium intake. For this reason I think all middle-aged people and older individuals should be sure to get a lot of calcium in their diet. This means the equivalent of a quart of milk a day (use low-fat or nonfat milk). Any food made with milk has lots of calcium. Most grains, cereals, and flour are rich in calcium as are dried beans.

Treatment is directed toward stopping the bone loss. Both female and male hormones are often used. A diet with adequate calcium and proper exercises are important in treatment, too. Bed rest should be avoided except for normal sleeping hours.

Dear Dr. Lamb—During any season of the year my hands and feet will very often start to sweat and feel clammy. What can cause this?

Dear Reader: Usually, this is caused by nervousness. Excessive sweating also occurs in people with an overactive thyroid but this is most often accompanied by other problems—like losing weight while eating more.

Please send your questions and comments to Lawrence E. Lamb, M.D., in care of this paper. While Dr. Lamb cannot answer individual letters, he will answer letters of general interest in future columns.

Memoirs Show Khrushchev as Real Character

By WILLIAM L. RYAN

AP Special Correspondent

The Khrushchev memoirs illustrate the complex character of Nikita S. Khrushchev and provide clues to what made him one of the world's most spectacular political figures in his time.

What was there about this roly poly with the amiable grin which permitted him to rise from the mines, where he and his father had begrimed themselves with back-breaking toil, to become one of the most powerful men on earth?

In the memoirs, published today in book form, the former premier and Communist party chief of the Soviet Union shows himself as a man who always was enormously ambitious and who in his younger days developed a mighty thirst for power.

Another side to his personality, as illustrated by his words, shows him as a man with a wide streak of honest peasant in him. He seems to have had a large capacity for indignation, although often this, even by his own accounts, was misdirected. Khrushchev could be terrifying when the occasion demanded, but his reminiscences make it appear that he rather regretted the means he had to use to climb to political eminence. He probably did what he was told to do because it would lead him where he wanted to go to the top. If he did not particularly like what he had to do, he was a realist about it. Stalin's enemies were automatically enemies of the people. Somebody had to liquidate them. When the job fell to Khrushchev in the Ukraine, he oversaw it with customary thoroughness.

Yet, his words often suggest he would have preferred to be Khrushchev the likeable. That was the gregarious side of him. He would have liked to like people, to like even Americans and other foreigners, and he gave them the impression of being outgoing.

The other side, the side of the suspicious Russian, the side which could not help being wary of others, imputed to foreigners as well as to potential rivals at home the worst of possible intentions.

Direct and blunt himself, Khrushchev confesses to having

been baffled by Mao Tse-tung and the Communist Chinese with their devious ways, just as he was deeply puzzled by the seeming illogicality of the Arabs whom his regime befriended. The deviousness of the Soviet leadership was of a different sort, along side the Chinese, often seeming so transparent as to be almost childish.

HELEN HELP US!

by Helen Bottel

SNEAKY THE BORE - LOSE HIM!
Dear Helen:

I've been going with this guy for three years. After two and one half years of holding out for marriage, I finally gave in, because he said if anything happened, he'd marry me.

He didn't! Luckily I lost the baby, though I still cry over it, so maybe I wasn't lucky after all. He absolutely refused to have anything to do with me until after my miscarriage - and then he expected things to resume as usual. They did.

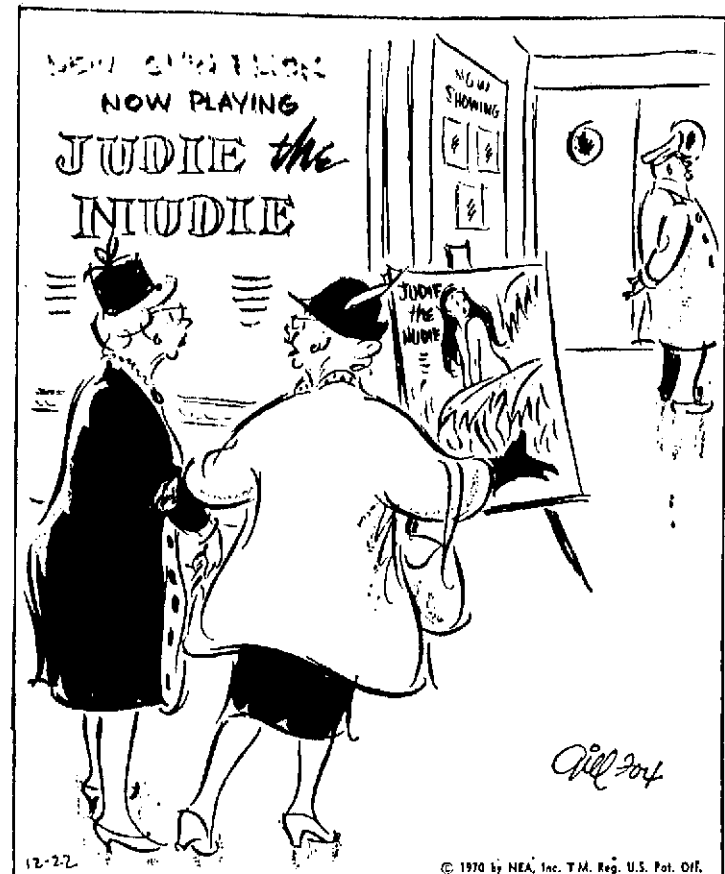

Now he tells me he's going to marry another girl. Not that he loves her so much, but he's kind of involved. He can't express himself very well and we've never been able to talk much, but he says this won't stop us from seeing each other.

Another thing that shows he isn't very trustworthy, or maybe that he doesn't know his own mind: He was with a married woman at a bar when one of my friends saw him. So he tells this friend not to let me know as he really loves only me and feels terrible because he can't marry me.

I've never gone out on him, and I still am sure he truly loves me. Is there

Coonhound Kennels Owner Indicted

FORT SMITH, Ark. (AP) — A U.S. Grand Jury at Fort Smith has indicted the operators of the Ozark Coonhound Kennels and the A-1 Kennels of Van Buren on charges of making false representations about hunting dogs sold by mail across the nation.

Bernard Gaer, 28, of Alma and M. O. King, 45, of Van Buren were accused in a 22-count indictment of shipping dogs that did not live up to statements made in advertising in national magazines, letters and telephone conversations.

The indictment said the two men purchased and sold dogs they knew were not trained hunting animals. The indictment also alleged that shipping costs were understated and charges were added for shots given for distemper, hepatitis and rabies.

Pruitt Found Not Guilty of Embezzlement

CONWAY, Ark. (AP)—A Circuit Court jury Monday night found Robert L. Pruitt, 31, innocent of charges that he embezzled \$28,655 from State College of Arkansas during a nine-month period in 1969.

The jury deliberated one hour and seven minutes before returning the verdict. A packed courtroom cheered and yelled when the verdict was announced.

Pruitt, former head cashier at SCA did not testify during the 10-day trial.

Murry Miller of Phoenix, Ariz., Pruitt's lawyer, told the jury in his closing arguments that he did not see how anyone "could sacrifice him (Pruitt) on the cross of incompetence because it gives license to the ineptness of officials at SCA."

Prosecutor Jeff Mobley said that Pruitt spent \$77,000 in the 22 months he was head cashier and worked in the purchasing department at SCA. Pruitt's salary and savings could not have been more than \$30,000 in the time he was at SCA, Mobley said.

After citing figures, Mobley said, "I think we can reasonably assume that he (Pruitt) came here deeply in debt." The prosecutor said that a

Santa Claus visited the special Christmas party for the School of Hope Friday, December 18.

The Future Homemakers of America of Hope High School cooperated with the Junior Auxiliary to make the party a gay one. Presents from the Junior Auxiliary were under the Christmas tree. The FHA girls made initialed decorated pillows, bought tupperware glasses and put each child's name on one, made stockings filled with hard candy, and made Christmas cards. They also made cookies and punch for the party. FFAer Larry Byers brought a special message from Santa and passed out the presents.

The School of Hope, for educable retarded children, is sponsored by the Hempstead County Association for Retarded Children. The Junior Auxiliary regularly sends volunteers to work with Mrs. Joy Honeycutt and Mrs. Joann Pine who operate the school.

lack of internal control at the college made it easy for Pruitt to "stick the money in his pocket."

Much of the testimony during the 10-day trial centered around SCA's bookkeeping procedures and records system. Miller contended that the system was set up wrong and no one knew the workings of the system. Auditors had said that bookkeeping at the college was "sloppy."

Astronauts to Pull Cart on the Moon

By HOWARD BENEDICT
AP Aerospace Writer

WASHINGTON (AP) — When the Apollo 14 astronauts prowl the moon, they will attempt to pull a two-wheel cart up a 400-foot-high slope littered with rocks as large as automobiles.

At the top of the 12-to-15-degree slope is the rim of Cone Crater where the explorers hope to find soil dating back to the creation of the moon.

Details of the lunar excursion were discussed at a news conference Monday by Apollo Mission Director Chester M. Lee. Apollo 14 is scheduled for launching from Cape Kennedy Jan. 31 on a nine-day flight.

Lee said astronauts Alan B. Shepard Jr. and Edgar D. Mitchell will try a tricky pinpoint landing in a narrow valley surrounded by the rugged highlands of the Fra Mauro formation. They plan two outside excursions, each lasting between four and five hours.

Fighting Is Reported on Three Fronts

By ROBIN MANNOCK
Associated Press Writer
PHNOM PENH, Cambodia (AP) — Fighting was reported today at three points along Phnom Penh's highway to the sea, the normal route for the nation's oil and gasoline, and the Cambodian air force was reported in desperate need of aviation gasoline.

Troops of the North Vietnamese 1st Division have blocked Highway 4 southwest of Phnom Penh for more than a month, cutting off the country's only deepwater seaport—Kampong Som—from the capital.

Long lines of cars waited outside gas stations in Phnom Penh, and rationing has been put into effect. Prices spiraled in Phnom Penh's central market, where the cost of fish has increased more than 30 per cent in the past three weeks.

The Mekong River is now Cambodia's only route for obtaining gasoline and other petroleum products. But sources close to the Cambodian command said a tanker loaded with aviation fuel is being held up in South Vietnam because the South Vietnamese navy is refusing to provide gunboat escorts.

The refusal was interpreted in Phnom Penh as a move to put pressure on the Cambodians to agree to a number of South Vietnamese demands, including payment for South Vietnamese troops operating in Cambodia.

The Cambodians have been refusing to pay the Saigon government, contending that killing North Vietnamese and Viet Cong troops in Cambodia reduces the threat to South Vietnam.

North Vietnamese troops in one attack along Highway 4 hit Cambodian positions at a dam a short distance north of the road. At last report fighting was continuing.

Other North Vietnamese troops attacked Cambodian forces three miles southwest of the town of Trapeang Kraleng, about 40 miles from Phnom Penh.

A third clash broke out near the village of Sre Ambel, 75 miles southwest of Phnom Penh.

South Vietnamese forces operating along Highway 1 about 60 miles southeast of Phnom Penh and along Route 7 about 44 miles northeast of the capital reported killing 17 North Vietnamese and capturing three in three clashes Monday. The South Vietnamese Command said five of its men were killed and five wounded.

The Cambodian command also announced that 26 Cambodians who claimed they had been forced to join the Communists surrendered two days ago about 12 miles south of the capital.

In South Vietnam, the U.S. Command reported that two U.S. Navy commandos were killed and one wounded in an exchange of fire with Viet Cong troops early Monday in the Mekong Delta about 40 miles southwest of Saigon.

The Saigon government announced it will release about 50 disabled North Vietnamese prisoners of war at the demilitarized zone on Jan. 24. Foreign Minister Tran Van Lam said the clemency is a gesture in observance of Tet, the festival of the lunar new year, and his government hopes "this gesture will be matched with an equal measure of good will on the part of the authorities of North Vietnam."

Congress Heads Home With Only Promise to End in Oratory Blaze

Hope Given to Buyers of 'Lemon' Auto

LITTLE ROCK (AP) — The Arkansas Supreme Court gave automobile purchasers who have been stuck with a "lemon" new hope Monday.

The court ruled that an automobile dealer is responsible for a vehicle he sells that does not perform up to expectation.

The ruling upheld Chancellor Royce Weisenberger's decision in Clark County that the contract between Harmon J. White of Arkadelphia and DeAlmar Motor Co. of Arkadelphia for a diesel truck was void.

White contended that the engine vibrated excessively and the brakes did not function.

Associate Supreme Court Justice George Rose Smith refused to accept the company's arguments to overturn the lower court's ruling. The Chevrolet dealer argued that General Motors and not the dealer was responsible for the truck.

"Where the seller has reason to know the particular purpose for which the goods are required and that the buyer is relying on the seller's judgment to furnish suitable goods, there is an implied warranty that all goods shall be set for the intended purpose," Smith wrote.

DeAlmar Co. also maintained that White did not rely on advice of the dealer. White said, however, he was told "it would do the job and I had no reason to doubt it." The court concurred with White on this point.

The court ruled that a disclaimer of warrant in small print on the contract was void. Smith said that state law demands that such a disclaimer be conspicuous.

Rules Against Dismissal of Cossatot Suit

LITTLE ROCK (AP) — U.S. Dist. Judge G. Thomas Eisele overruled a motion today that sought dismissal of a suit in federal court that seeks to block the construction of the Gilliam Dam on the Cossatot River.

The motion was filed Nov. 24.

Memory Is Medicine So Good It Heals, Cures Better Than Any Doctor

By HAL BOYLE
NEW YORK (AP) — Memory is the greatest medicine man.

It heals and cures better than the ablest doctor. And like a skilled surgeon, it selectively removes the dead tissue of the mind so that only the living past remains to encourage us and make us hopeful.

Memory helps give us fortitude and keep us brave. It suggests that if we have endured what has already happened to us, we have good reason to expect that we can bear to survive what lies ahead.

WASHINGTON (AP) — Senate backers of a faster-than-sound jet liner failed again today to break a filibuster holding up continued federal subsidies for it.

The roll call on the cloture vote came shortly before Congress was scheduled to quit work for a long Christmas weekend, its work still unfinished.

The vote was 44 to 42, short of the necessary two-thirds of the members present and voting, to invoke cloture.

Before the vote, SST supporters aid the technological "future of the United States is at stake" in the question of whether \$210 million in federal funds will be used to subsidize further development of the 1,800 mile an hour, 300-passenger supersonic transport.

And opponents, led by Sen. William Proxmire, D-Wis., continued to tick off their list of charges against the project: It

Intellectual Centers Are Denounced

VATICAN CITY (AP) — Pope Paul VI today denounced intellectual centers in the West which he said aim "corrosive criticism" at the traditions of the Roman Catholic Church.

Making his annual Christmas address to cardinals stationed in Rome and other prelates of the Vatican Curia, the pontiff also denounced war and "regrettable political situations" in many countries and deplored Italy's new divorce law.

The Pope announced that his next synod of bishops in September will discuss the priesthood and "justice in the world."

He denounced "the movement of corrosive criticism towards the institutional Church, spreading from not a few intellectual centers of the West—not excluding America—into ecclesial public opinion, especially among the young, a frame of mind that dissolves the certainty of faith and breaks down the organic body of ecclesial charity."

He said that these challenges to the Church "weigh heavily on our heart" and priestly defections gave him "an oppressive sense of sad wonder."

Highs Monday climbed into the 70s with a reading of 73 degrees reported at El Dorado and 70 reported at Texarkana. Mild gulf air flowing in from the south produced the unseasonably warm readings.

Highs today should be mainly in the 60s with highs Wednesday in the 50s north to 60s elsewhere. Lows tonight should be near 40 north to low 50s south.

For every American who cleaned his teeth with a toothbrush, there were three who did it with a toothpick.

If you found a lump of coal in the bottom of your stocking on Christmas morning, that was Santa's way of warning you that you had been a bad boy or girl—and next year might not get a present unless you mended your ways.

To be fat was no disgrace. Many doctors thought plumpness was a sign of health, and worried that an underweight patient was likely to come down with tuberculosis.

Pennmanship was an art. Whether or not its contents were worthwhile, a letter was often made memorable by the curlicues that adorned the writing.

Before the popularity of the Christmas office party waxed and waned, few fathers came home on yuletide eve loaded—but sometimes their breath did smell a bit of Sen Sen.

No one reached for a helping until the man who sat at the head of the table had asked, with folded hands, a blessing on all who sat there from the One in whose honor they had gathered.

Prisoner List Released, Kennedy Says

WASHINGTON (AP) — Sen. Edward M. Kennedy, D-Mass., said today North Vietnamese diplomats in Paris have given to a Washington lawyer a list of the names of 368 American prisoners of war.

Kennedy said the names, described by the North Vietnamese as an official prisoner list, were turned over to John Knowland, an attorney formerly with the Department of Justice.

The Massachusetts senator said he sent Knowland to Paris in response to the invitation of the North Vietnamese.

Kennedy said he does not know whether the list is a complete one. He said the list given Knowland also included the names of 20 men identified as American prisoners who died in captivity, and nine men released.

It listed the date of capture, date of death or date of release, he said.

Man Killed in Fall at Plant

HOT SPRINGS, Ark. (AP) — Gary Don Bearden, 22, of near Benton was killed Monday when he apparently stumbled and fell, hitting his head on the corner of a packing crate at the Lake Catherine Footwear plant here.

Garland County Authorities said Bearden worked in the plant's shipping department.

Arctic Front Moving Across Arkansas

By THE ASSOCIATED PRESS
An arctic front is expected to move into Northwest Arkansas Wednesday afternoon, lowering temperatures as it moves across the state.

The front is also expected to bring and end to the precipitation which began Monday.

The dreary weather has been persistent due to the lack of any organized system to push the moisture-laden air out of the state.

Temperatures are expected to continue on the mild side until the arctic front moves into the area.

Group Studies Plan for Germ Disposal

LITTLE ROCK (AP)—A special committee of state agency officials met Monday to begin a review of the Army's plan for the disposal of germ and chemical warfare materials at the Pine Bluff Arsenal.

S. Ladd Davies, director of the state Pollution Control Commission and the only member present who had a copy of the disposal plan, said the method to be used for disposal of the germ warfare materials was "satisfactory."

The Army's plan calls for the anti-personnel biological and toxin materials to be sterilized and discharged in a sealed evaporation bed at the arsenal.

Adrian Williamson, director of the Arkansas Industrial Commission, said he thought the disposal operation would begin in mid-January and would take 48 weeks to complete.

The panel was appointed Friday by Gov. Winthrop Rockefeller. Comments and suggestions from the group must be submitted to the Army by Jan. 17.

Cars Damaged in Accident

At South Elm and West Third Streets yesterday autos driven by Terri C. Wesson of Prescott and Larry Dale Potter of Hope collided. Investigating City Officer Carl D. Ward said both cars had been moved before he arrived but apparently both had sustained considerable damage.

Polish Change Engineered by Kremlin

WARSAW (AP) — Western observers in Warsaw expect Edward Gierk's new Polish regime to be more pragmatic than that of Wladyslaw Gomulka and its decision making to be less of a one-man operation.

The new leadership is composed of "people who get things done," said one Western source, "although the leadership will probably be more collective until Gierk finds his feet. Gomulka was patriarchal. He didn't like to consult with anybody and would make his decisions alone."

Gierk replaced Gomulka Sunday as first secretary of the Communist party and five new members were named to the 12-man Politburo, replacing Gomulka and four others purged with him.

Although Gierk promised an overhaul of the economy and revision of the new five-year plan, Warsaw Radio said Monday there will be no retreat from the 17-20 per cent price increases which last week set off the riots that brought Gomulka down.

"We must be aware of the fact that there is no possibility to return to the previous anomalous state of the price system," the government radio said. It added that the new regime will carry out Central Committee orders to alleviate the economic problems of poor families with several children.

Soviet Communist party chief Leonid I. Brezhnev sent congratulations to Gierk and expressed the hope that the Polish party "will successfully overcome the difficulties which recently occurred." The message praised the new first secretary as a "sincere friend of the Soviet Union."

Westerners speculated that Brezhnev or one of his Kremlin subordinates engineered the changes during a weekend trip to Warsaw.

The other Communist giant, Red China, said the events in Poland show that Russian rule in Eastern Europe has "fallen into a crisis."

Appointments Made by Rockefeller

LITTLE ROCK (AP) — Gov. Winthrop Rockefeller announced Monday appointment of seven persons to state boards and commissions and reappointment of 12 other persons.

New appointments were: —Horace Blaylock of Russellville to the Arkansas Commission on Alcoholism, to fill the unexpired term of Dr. Phillip Cullen of Little Rock, who resigned.

—R. D. White of Hamburg to the state board of Sanitarians to replace Creio Jones of Little Rock. White's five-year term will expire June 30, 1975.

—Jack Lusby of Little Rock to the state Board of Sanitarians to replace Herbert S. Lane of Monticello, for a term to expire June 30, 1974.

—George Smith of Mountain Home to the state Commission on Stream Preservation for a term to expire Nov. 30, 1974. Smith replaces Charles Johnston whose term expired.

—Dr. Raymond Miller of Little Rock to the Arkansas Tuberculosis Sanatorium to replace Willis Eddins of Des Arc, whose term expired.

Youth-oriented Groups Move Politically to Grab the New Voters

By JOHN STOWELL
Associated Press Writer

WASHINGTON (AP) — Youth-oriented political groups are moving quickly to grab a share of the potential 11 million new voters enfranchised by the Supreme Court decision allowing 18-year-olds to vote for president and congressmen.

The Young Republican national chairman, Ron Romans, said his organization has a national registration program on paper and a pilot program under way in two states to computerize the names of 18 to 21-year-olds for a sign-up drive.

The National Young Democrats said it was joining with other youth groups in a campaign "to register those millions whose vote can bring about social change, reordering of national priorities and increased support for their point of view."

State elections officials complained meanwhile that Monday's action will result in expense and confusion because the

Officers in Defector Case Are Retired

By TOM BRADY

WASHINGTON (AP) — Two senior Coast Guard officers have taken retirement rather than face courts-martial for their part in the abortive defection attempt last month of a Lithuanian sailor. The officers are still to face a congressional committee investigating the incident.

WASHINGTON (AP) — Pentagon figures show enrollment in college ROTC programs has fallen sharply for the second straight year to the lowest level since 1947.

WASHINGTON (AP) — The Food and Drug Administration has ordered 39 toys off the market because of pins, needles, metal spikes and sharp wires which it says could be dangerous. Included on the list are dolls, stuffed animals and lawn-dart sets.

Rep. Wayne L. Hays called outrageous a decision Monday by Transportation Secretary John A. Volpe to let the officers retire and thus evade court-martial proceedings.

The Ohio Democrat said he wants Ellis and Brown to appear before his House foreign operations subcommittee to "find out what makes them think like this." Brown was acting commander of the First Coast Guard District in Boston and Ellis, the commander, was on sick leave when Kudirka attempted defection.

A report of a formal Coast Guard investigation sharply criticizes the two officers and also declares the State Department "did not furnish any adequate, helpful or timely advice."

WASHINGTON (AP) — Youth-oriented political groups are moving quickly to grab a share of the potential 11 million new voters enfranchised Monday by the Supreme Court's 5-4 decision allowing 18-year-olds to vote for national office holders. The court also ruled that it is up to the state to set the voting age for local elections, approved abolishing residency requirements of more than 30 days for voting in presidential elections and okayed the suspension of state literacy tests for five years.

WASHINGTON (AP) — The 91st Congress heads home tonight for a long holiday weekend, with little prospect of any major action before the recess. The Senate will reconvene Monday but the House is considering staying out of session until Jan. 2.

McClellan Asks Rice Acreage be Maintained

WASHINGTON (AP) — Sen. John L. McClellan, D-Ark., urged two government officials Monday to maintain the national rice acreage allotments at present levels, saying that another cutback could be disastrous.

In letters to Agriculture Secretary Clifford M. Hardin and George P. Schultz, director of the Office of Management of Budget, McClellan said he had heard rumors that acreage allotments for the 1971 crop year may be cut by as much as 10 per cent.

A decision on allotments is expected later this month. Rice acreage allotments have been cut for each of the last two crop years.

Bank Again Drops Prime Interest Rate

NEW YORK (AP) — Chase Manhattan Bank today reduced its prime rate to 6 3/4 per cent from 7 per cent, saying that there has been a decline in market rates and a "generally moderate" demand for loans in the last four weeks.

Chase had initiated a drop in the prime rate—the interest it charges its biggest and most creditworthy borrowers—four weeks ago, from 7 1/4 to 7 per cent.

The bank said it was acting in line with its policy of "keeping a flexible prime rate that is fully responsive to money market rates."

"We believe that this reduction is justified by the decline in market rates and the generally moderate loan demand in the four weeks since we last reduced the prime rate," the bank said.

The commercial banks have reduced the prime rate in progressive steps since it reached a record 8 1/2 per cent in June of 1969.

The Citizens & Southern National Bank of Atlanta quickly joined Chase in cutting the rate to 6 3/4 per cent from 7 per cent.

Arguments Continue in Tate Case

LOS ANGELES (AP) — Three young women on trial in the Sharon Tate murder case, but ousted from court for bad behavior, have been described by the state as robots who "killed the actress and six others" to satisfy their master, Charles Manson—a codefendant.

As the prosecutor began his closing arguments Monday, the women—Susan Atkins and Patricia Krenwinkel, both 22, and Leslie Van Houten, 21—listened by loudspeaker from an adjoining room.

Manson, who was briefly ousted with them, returned and stayed through the session, frequently muttering comments on the arguments.

The women were removed from court after a scuffle with bailiffs. They had shouted at the judge and audience as Miss Van Houten protested appointment of a substitute for her lawyer, Ronald Hughes, missing and believed lost on a Thanksgiving holiday camping trip. Her newly court appointed attorney is Maxwell Keith, a veteran criminal lawyer.

"I have nothing to do with Mr. Ronald Hughes disappearing!" Miss Van Houten shouted at the judge. "In fact, I'm wondering what did you do with him."

Ignoring the judge's orders to be seated, the slim brunette tussled with deputies, slapped one bailiff on the hand and told the judge, "I'd strike you if I could."

She was ushered out with the others, who pointed at Manson and shouted, "You have an innocent man here!"

Deputy Dist. Atty. Vincent T. Bugliosi called the slayings in August 1969 "a classic textbook example of premeditated murder."
